

「Participating in Singapore International Water Week 2016」

We will participate in the "Singapore International Water Week 2016" to be held from July 11th to July 13th, 2016 at Japan Pavilion in Sands Expo & Convention Center (Marina Bay Sands) in Singapore.

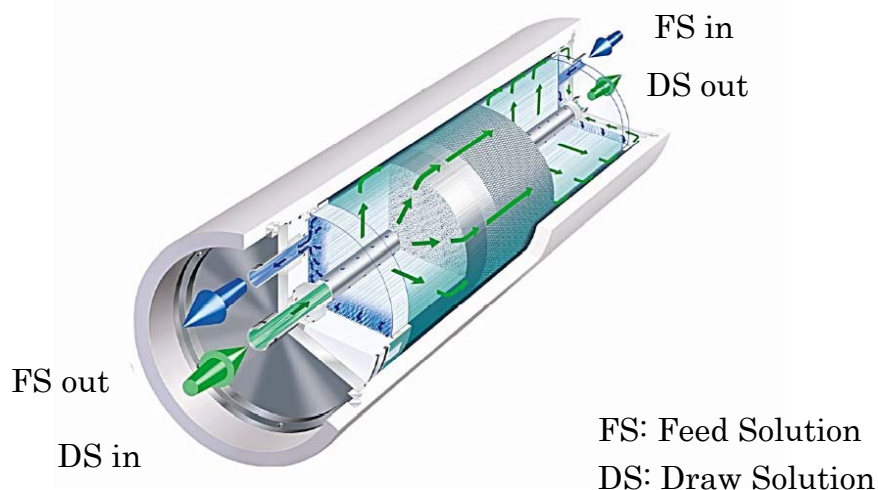

In this Exhibition, we will show our newly-developed hollow fiber membrane module for Forward Osmosis (FO) and proven hollow fiber reverse osmosis (RO) membrane module which has been used for sea water desalination around the world. We would like to welcome you and hope you to drop in at the booth of Toyobo in the case of attendance.

Date : July 11th – July 13th ,2016

Location : Sands Expo & Convention Center (Marina Bay Sands)

Booth No. : #B2-R02

Exhibits : ●Hollow fiber membrane module for FO <Panel, Sample(Prototype)>
●Hollow fiber RO membrane module <Panel, Sample>
