

Participating in IDA WORLD CONGRESS 2015 on Desalination and Water Reuse & Exhibition in San Diego, USA

We will participate the "IDA WORLD CONGRESS 2015 on Desalination and Water Reuse & Exhibition, USA " held from August 30 to September 4 , 2015 at the San Diego Convention Center, San Diego in USA.

At this Exhibition, we will set up a booth with a hollow fiber configuration reverse osmosis module that is operating for sea water desalination around the world and the world's first developed hollow fiber configuration forward osmosis membrane module for water treatment.

We would like to welcome you and hope you to drop in at the booth of Toyobo in the case of attendance.

<Exhibition>
